Calls for service have trended up over the last few years. In 2024, we were short several officers for most of the year. Proactive enforcement has increased significantly; tickets are up 58% and arrests are up 85% from 2023. The Village hired a police clerk in December 2023 which has allowed patrol staff to focus on traffic complaints and conduct follow up investigations more effectively. The addition of the detective in November 2024 greatly impacted our arrest numbers.
