Code Office Staffing – Trustee Bonner reiterated the need for additional personnel in the Code
Department. Suggested the hiring of an additional Full-Time Code Officer to handle the Annual
Inspections for Apartments, Businesses and Assemblies. Leave the research and big projects to
the current Code Officer Rowe. The Treasurer reminded the Board that there is a very tight
Budget for this new Fiscal Year. The Village needs to weigh the need vs. liability vs. cost in this
consideration. A suggestion was made to have a plan drawn up, for review, to include the hiring
of a part-time Code Officer and what standards can be implemented to ensure schedule follow-up
and the generation of invoices. Questions concerning current procedures and the flow of
paperwork were discussed. Slated for discussion at the next Work Session.

The Village has 14 street lights out on Main Street. Dow Electric has been contacted and the
problem is being worked on.
